Season 2026-2027 16ft & 13ft Skiffs

Change to Schedule No. 1

Posted @ 07:30 hours on 12th October 2026

Changes:

1. **Saturday 31st October will now be Sprint Series 3.**

2. **Saturday 7th November will now be Crews Trophy 5-6 (PS 6-7) and will be combined racing with Manly 16s started by Manly's race committee. 2 x races @ 45 min target time each. Warning signals TBA.**

3. **Saturday 14th November will now be Club Championship 2 for the 16s and Long Course Pointscore race (PS8) for the 13s.**

Reason for changes:

1. **The original schedule had a Club Championship race scheduled for the same weekend as the Port Hunter regatta which was inappropriate for anyone planning on attending Port Hunter aside from bad optics generally.**
2. **Despite best efforts, with Tinny absent on the day, it has proved impossible to find a replacement Race Officer for our racing on Saturday 7th November.**
3. **This change will allow for some combined bigger fleet racing 2 weeks out from the NSW State Championships. Both Clubs have been seeking this.**
4. **An updated calendar will be posted with this notice.**
